Annual Report

Walking on Sunshine
Caminando Bajo el Sol

Walking on Sunshine Caminando Bajo el Sol

Every child is on an educational journey, and at the Sunnyvale Education Foundation (SEF), we are proud to help expand and illuminate opportunities along the way.

Your support – and that of neighbors and businesses throughout our community – lays the groundwork for the journey to continue in wonderful directions for all our students.

Together this past year we made possible a wide range of opportunities in arts and music, hands-on learning, field trips, assemblies, clubs, and after school programs at the ten schools of the Sunnyvale School District.

Each of these offerings is more than just a school activity: They are signposts, built with money, time, and dedication, guiding children toward opportunities they might never have imagined and a life filled with joy, purpose, and hope.

I invite you to join SEF on this enriching journey as we work together for bright futures for all our children. Thank you for your support.

Michelle Eugeni

Michelle Eugeni
President

Cada niño transita un recorrido educativo, y en la Fundación Educativa Sunnyvale (SEF), nos enorgullece ayudar a ampliar e iluminar las oportunidades a lo largo del camino.

Su apoyo –y el de los vecinos y comercios de toda nuestra comunidad– sienta las bases para que ese recorrido continúe en direcciones maravillosas para todos nuestros estudiantes.

Gracias a este esfuerzo conjunto, durante el último año hicimos posible una amplia variedad de oportunidades en artes y música, aprendizaje práctico, excursiones, asambleas, clubes y programas extracurriculares en las diez escuelas del Distrito Escolar de Sunnyvale.

Cada una de estas propuestas es más que una mera actividad escolar: son señales en el camino, construidas con dinero, tiempo y dedicación, que guían a los niños hacia oportunidades que quizá nunca hubieran imaginado y hacia una vida llena de alegría, propósito y esperanza.

Le invito a acompañar a la SEF en este recorrido enriquecedor mientras trabajamos juntos por un futuro brillante para todos nuestros niños. Muchas gracias por su apoyo.

Financial Summary

Revenues

Corporate Donations	\$132,000
Individual Donations	\$62,186
Community Donations	\$10,000
Interest Income	\$4,634
Total Revenues	\$208,820

Net Assets at Year End

	2024	2025
Unrestricted	\$299,372	\$272,878
Restricted	\$18,650	\$72,860
	\$318,022	\$345,738

Open Board Positions!

To help ALL SSD students thrive, we need ALL kinds of people. Bring your perspective and skills to our team!

- IT Specialist
- Designer
- Photographer
- Event Coordinator
- Writer / Editor
- Campaign Manager
- Analyst
- Web Developer

Your Impact on STEAM

When I first shared to the students that we were going to the Monterey Bay Aquarium, students were so excited. When I shared that they would not need to pay anything to go because of a generous donation from SEF, they literally broke into applause and screamed of joy. Students were so grateful for the field trip because they love aquatic animals, and it directly connects to our ecosystems unit as we learned, "what happened to the sea otters?" We are all extremely grateful to have had the opportunity extended to all of our 7th grade class.

Science Camp at Walden West

My kindergartener came home bursting with excitement last week, eager to share her newfound knowledge about computers! She proudly recounted details about engineering terms such as "TPUs," "soft board," "RAM," and her favorite was learning about the "fan." When I asked her the best part of this experience, she said she never knew "there was hardware underneath the computer, like there's a downstairs with all these things working so hard." It's thrilling to see her grasp these engineering terms and be so inspired by this experience.

Your Impact on the Arts

This afterschool enrichment event gives students the opportunity to showcase their talents in artistic expression, singing, dancing, and building the courage to perform in front of a large audience.

Each year, students eagerly look forward to participating and performing in the play. This experience is important because it fosters creativity, confidence, collaboration, and a sense of accomplishment among our students.

The Play That Goes Wrong
Columbia Middle School

My student's confidence in all areas of school and life have soared to new heights because of the play experience.

We drove 3 hours to see our granddaughter perform. It was worth every second we drove in traffic.

Your Impact on the Whole Student

The bicycles, basketball hoops, balls, hula hoops, and other outdoor learning equipment has been incredibly beneficial to our TK community. Not only has it provided the children with more opportunities for active play, but it's also allowed us to observe and support the development of their gross motor and balance skills. We've noticed the children engaging in more group games, cooperating with one another, and overall enjoying more positive interactions during outdoor time.

Having a core collection of books in our libraries that represent the queer community supports our district goals and equity statement and empowers all students when they see themselves and their families within the pages of a book!

*Julie Griffin
District Librarian*

We would like to extend our heartfelt thanks for your generous support of the Magic: The Gathering Club. Thanks to you, students have a place to belong, share their interests, and challenge themselves intellectually—all while having fun.
